HIGH SCHOOL CONTESTS PROFESSIONAL ATHLETICS

ONE BIG ROUND GIVES CHICAGO EASY VICTORY

[Republican A. P. Leased Wire]
ST. LOUIS, May 1.—Chicago batted Deak and Watson from the box in the fourth inning and, helped by two misplays, defeated St. Louis. In the ninth Doyle hit a home run scoring Walter ahead of him. Score:

CRUFF MAY USE HIM AT SHORT ALL YEAR

Ray Morgan.

Ray Morgan may be a bright ray of hope to Clark Griffith this season. Griff has been fretting about a shortstop for his Senators and it begins to appear that Morgan will be the lad to fill the hole. Morgan broke into the game at short and he is now said to be in better shape than he has been for two seasons. Last season he didn't look so well at short when he was overweight and had a bum ankle and his service there was short. Thus far this spring he is going at a grand pace.

KILBANE OUTPOINTS WELSH IN 10 ROUNDS

[Republican A. P. Leased Wire]

NEW YORK, May 1.—Johnny Kilbane, of Cleveland, featherweight champion, outpointed Freddie Welsh, of England, world's lightweight champion, in eight out of ten rounds of their boxing match here tonight. Kilbane weighed 139 pounds and Welsh 129.

Welsh was on the defensive the greater part of the bout, Kilbane forcing the pace all the way, outboxing and otherwise outpointing his opponent by a considerable margin. In the opening round, Kilbane crossed to the jaw with his right and was always forcing. In the second round he crossed his right to the head and jaw and followed with four lefts to the head and face. This right cross was the heaviest blow struck in the match.

Welsh was short in his leads and missed several swings in the third, and Kilbane had the better of the round. Kilbane scored frequently in the fourth but Welsh opened up in the fifth and outpointed his opponent. From this point to the end of the bout Kilbane did most of the forcing, and while both were guilty of holding, Welsh was the more frequent offender.

In the seventh Kilbane had an opportunity after landing a telling right cross, but did not follow up his advantage. Again in the eighth, which was fairly even, he failed to follow up openings and the crowd manifested its disapproval. When the spectators began to "boo" both men started to mix it up at a lively pace. Neither had the advantage in this round.

Welsh's work improved in the ninth and tenth but Kilbane scored the greater number of points although no heavy blows were struck.

PHOENIX MEN DELIGHTED BY CHAUTAUQUA

Five prominent Phoenixians went to Mesa last evening to attend the Chautauqua program there to see if it was up to standard, and they came home more than enthusiastic. In the first place they found that Mesa had turned out in a body, packing the big tent and growing more and more enthusiastic. The same program will be given in Phoenix this evening.

The program starts here tonight and the first will be the famous Australian Manikins, said to be the most marvelous mechanical entertainment ever devised. Then comes a lecture, "What America Means to Me," by Arthur Welwyn Evans, nephew of the English premier, David Lloyd George.

There is what the enthusiastic Phoenixians after a fine trip in T. L. Bolton's Mitchell six, had to say of the first program:

"If the people of Phoenix really want to hear a patriotic address there is no man in Phoenix who speaks tonight on the Chautauqua platform in Phoenix. We heard him last evening at Mesa and it was well worth going to hear. I can tell you, Mr. Evans is a nephew of David Lloyd George, and as a patriotic orator his utterances cannot fail to arouse the people of this section. He made a profound impression last evening."—Charles E. Heath.

"The Australian Manikins was one of the most unique forms of entertainment I have ever witnessed. They delighted old as well as young. I know from the way I enjoyed them. The little town of Mesa packed that tent and they had a really worth-while entertainment."—Dr. F. H. Redevill.

"While Mr. Evans is an Englishman and the subject of his talk is 'What America Means to Me,' quite a considerable portion of his address is upon the present war situation and, therefore, very timely. He handles this topic in a very ingenious manner, showing up a number of points which have not been touched upon by speakers in this section before."—W. L. Pinner.

"All of Mesa was out. It was a very select audience and was more than pleased at the opening program. It struck me that Mr. Evans comes as near as any man I have heard talk expressing the American mind on the situation. Phoenixians should not fail to hear him. He is not erratic and he is not spasmodic. He showed the concrete mind of America and American thought. He said America could be expressed with one word—but you should go and hear him. He asked the audience to express that word and they had got it from him and had no difficulty in expressing the needed word."—Arthur G. Hulett.

"The Manikins are great stuff for the kids. Evans reminded me in many ways of Jimmy Sunday. You can get more patriotism in the half hour of his talk than you can get out of a host of patriotic meetings."—T. L. Bolton.

PRACTICAL-MINDED men were quick to discover how well Fatimas exactly suited their smoke-needs. Fatimas were found to be comfortable.

Not alone because they are cool and comfortable to the throat and tongue. But because they do not intrude on busy minds.

Fatima's delicately balanced Turkish blend—unlike that of a heavier, more "oily" cigarette—leaves a man feeling keen and alert even after a long-smoking day.
